CITY COUNCIL ADOPTS ONE OF LOWEST TAX RATES IN THE STATE

Appoint Five City Employees To Permanent Status

A city tax rate of \$1.296 per \$100 valuation, believed to be one of the lowest in the state, was adopted by city council during a short meeting on Monday.

The rate covers the city except for annex four which has a tax rate of \$1.242 because that section of the city does not pay for the city hall bond fund. That section was annexed to the city after the fund was started.

The new tax levy is the same as it was last year despite a record \$320,485 budget this year which is \$11,975 more than last year.

Councilmen Dennis, McHugh, and Battye voted for the tax rate while Councilmen Craig and Gagero were reported absent.

Council also passed a resolution authorizing occupancy of city property south of West Lake avenue on Junipero Serra boulevard. The property, described as lots 21 and 22 block 24 Vista Grande No. 1 subdivision, is the site of the former Daly City pound.

Last year the property was listed on the tax roll in the name of the City of Daly City. It is understood that the property is to be used for commercial purposes.

A communication from the Pacific Telephone and Telegraph Company regarding permission "to place underground conduit and two service boxes in the sidewalk area on West Lake avenue and across West Lake avenue at Mission street" was referred to the City Engineer for consideration.

Later during the short meeting the city engineer, after due consideration, reported his approval. Mayor Battye directed that the utility company be notified.

Council also appointed Police Chief W. W. Sunderland, Sgt. Roy Beecher, Sgt. Roland Petrocchi, Patrolman Arthur Linhares, Fire Chief Elmer Kennedy to permanent positions following the termination of their probation period. The regulations are in conformity with the State Employee's Retirement System. Under the system a person becomes a permanent employee after a six months probation period.

Joseph Emanuele Intaschi, 303 Miriam street, was appointed by the council to the position of garage mechanic. The appointment becomes effective on September 1, 1947.

The meeting was called to order at 8:25 p. m. by Mayor Battye. Councilmen Dennis and McHugh, the City Engineer, City Attorney, and City Clerk were recorded present. Councilmen Craig and Gagero were absent.

New Judge Puts In Appearance At The Fahey Home

New addition to the family of Judge and Mrs. John J. Fahey jr., of 32 Edgeworth, Garden Village, Colma, was a boy named John Frederick Fahey, born on Wednesday morning, July 31, at 9:10 a. m. at the Children's hospital in San Francisco.

The Faheys have another child, Barbara Louise, who is four years old.

Maternal grandparents are Mr. and Mrs. Fred S. Field, also of Garden Village. Paternal grandparent is Mrs. John Fahey sr., of Broadmoor Village, Colma.

Judge Fahey is associated with Fahey, Bocci, and Gallen at 3 Wellington avenue in Daly City.

Bud Goins Hurt In Auto Accident

Bud Goins, 51, Palomar Stables, Colma, suffered minor injuries Sunday evening when the car in which he was riding collided with one driven by Douglas A. Hart, 55, Mori's Point tavern owner, on Alemany boulevard about one mile west of Junipero Serra boulevard.

Joseph J. Seaton, 45, San Francisco, was the driver of the car in which Goins was riding.

Nearly 2,000 Are Expected Sunday At Eagles Picnic

What? The Colma-Vista Grande Aerie Eagles' first annual picnic since the war.

When? This Sunday, August 17.

Where? Flood Park in Atherton.

Admission to the old-fashioned picnic is free. A gala affair is planned for everyone with races, contests and events. There will be free coffee for the adults and bubble gum for the children.

Between 1,500 and 2,000 people are expected to attend the picnic. The participants will leave by motor caravan under police escort from Hillside boulevard at 9:30 a. m. on August 17.

The committee says it is important that they know how many are going since a report of the number of automobiles has to be sent to the State Highway Patrol.

The committee is: George F. Wheeler, Delaware 3-9211; John Patton, Delaware 3-2471; Bill Bolger, Juniper 7-5386.

They will be able to supply full information and should have a report on possible attendance and extra passenger space.

LIONS CLUB HEAR HEAD OF COUNTY "BOYS BOOSTERS"

Joe Bonowitz, president of the San Mateo County Boys' Boosters, was the principal speaker at the weekly meeting of the Daly City-Colma Lions Club Wednesday at Estradas. He was introduced by Joe Sarto.

Bonowitz, general manager of the Galland Linen Service in San Francisco and a professional ball player for 20 years, spoke on the newly organized county boys group which now has more than 2,000 members.

The group was organized in July. Its purpose is the organization of recreational facilities in the county in a non political, voluntary way. The main activity of the club so far is with baseball but touch football and boxing instruction are to be started after the baseball season is over.

In San Mateo, where the principal activity of the organization is located, there are 140 teen-agers engaged in the club's baseball activities alone. There are six teams of boys from 8 to 15 years of age and they play and practice at East Side Park while four teams of boys in the 15-18 years age group play at Fitzgerald Park.

The baseball activity started in July when a baseball school was formed with former big league players and active scouts as instructors. There were seven instructors including Bonowitz, who has played for the Cincinnati Reds and was recreational director for Columbus, Ohio, for 12 years, and Walter Mills, one time baseball great and now a leader in Northern California junior sports programs.

On Saturday, August 30, a similar baseball school will be conducted at the Jefferson Union High School baseball diamond. This activity has been made possible by

Posthumous Award Of Silver Star For Richard G. Bolger

Corporal Richard G. Bolger has been posthumously awarded the Silver Star "for conspicuous gallantry and intrepidity in an action in which he was mortally wounded."

Corporal Bolger, son of Police Sergeant and Mrs. William P. Bolger, 43 Risel avenue, was killed in action on Iwo Jima on March 8, 1945.

The medal and citation were presented to his parents during colorful Marine Corps ceremonies on Treasure Island last Friday afternoon.

Corporal Bolger was a graduate of the Jefferson Union High School and studied at both San Francisco State College and San Francisco Junior College.

He enlisted in November 1942 and trained at Elliot Field and the San Diego Marine Base.

The award was for "Conspicuous gallantry and intrepidity as a squad leader," serving with Company F, Second battalion, Twenty-seventh Marines, Fifth Marine Division, in action against enemy Japanese forces on Iwo Jima.

Presented by Lieutenant Colonel C. P. Van Ness, commanding Marine barracks here, the medal was awarded in the name of President Truman and signed by James Forrestal, Secretary of National Defense.

The citation stated that, "with his company pinned down by close-range enemy sniper, machine-gun and knee mortar fire from a strongly defended Japanese emplacement at the base of a steep cliff Corporal Bolger voluntarily advanced alone under the savage barrage to a strategic position and, hurling hand grenades and explosives into the hostile fortification, accounted for most of the occupants before returning to his own lines for more ammunition. Continuing his determined attack, he completely destroyed the enemy position and forced the remaining occupants to withdraw. Though mortally wounded while firing on the fleeing Japanese, Corporal Bolger had enabled his company to occupy the cliff and had contributed directly to the success of our operations in this vital area. His daring initiative, indomitable fighting spirit and great personal valor in the face of fanatical opposition inspired his comrades to greater efforts and were in keeping with the highest traditions of the United States Naval Service. He gallantly gave his life for his country."

Peninsula Man Finds Cab Trips Costly Business

Cecil Atchley, 343 North Delaware avenue, San Mateo, is now out on \$25 bail because he did not have the money to pay for a cab ride from Daly City to South San Francisco on Saturday morning. He is also charged with being drunk in a public place.

The driver of the cab was Ray Brush, 210 Los Olivos avenue.

Judge Sweeney made arrangements that Atchley could be released if he agreed to pay the \$6.80 cab fare and the \$10 fine for being drunk in a public place by tomorrow.

Plenty Of Trouble For Teen-Age Boys In Theft Case

Three teen-age boys, one from Daly City and the other two from San Francisco, were turned over to juvenile authorities on July 5 by Judge S. K. Robbins in South San Francisco Municipal Court, after their arrest for the theft of four automobile hub caps and white rims from a parked car in a highway filling station.

The boys, all San Francisco high school students, were arrested on August 4 in South San Francisco after stripping the hub caps and rims from a 1947 car parked at the Union Oil Station, Bayshore and Grand avenue.

Chevrolet Sedan Nearly Demolished In Accident Friday

A 1930 Chevrolet sedan was nearly demolished early last Friday when it was driven into a telephone pole in front of 6893 Mission street. The driver of the car, William Leary, 576 Valencia street, San Francisco, received chest injuries, bruised legs and minor lacerations.

Police say there were no witnesses to the accident and it was several hours after the accident before anyone knew who was injured as local hospitals had received no emergency cases.

The owner of the car, James Barron, 1379 Harrison street, San Francisco, said he loaned the car to Leary about midnight on Thursday at 16th and Valencia streets. The accident happened about five hours later.

Leary was treated by Dr. Lagan, 909 Hyde street. The car was towed to the Daly City Garage.

ANNOUNCE NEW MANAGEMENT AT LOCAL MARKET

Starting Friday, August 15, the well-known Casentini's Jefferson Market at 7369 Mission street will be under a new name as well as new management. The market will be called Casentini's Food Center and the manager will be Dan Casentini.

An addition, starting Friday, will be a meat department under the proprietorship of Adolph Silvestri, brother of Bob Silvestri, well-known golfer.

Casentini's Food Center, although under a new name and management, will continue to specialize in the best in imported and domestic groceries, fruits and vegetables, beer and wine and will offer free delivery service to all of Colma and Daly City and the new district of Broadmoor Village, etc.

Ends 25 Years Of Devoted Service To Entire Community

Mrs. Jean O'Rourke, after 25 years as head of Daly City's library, will retire from her duties on September 1. During this entire time she was completely in charge and responsible for the administration, purchasing, etc. at the library.

Daly City's library was built by J. W. Marchbank and given to the city by him many years ago. From then on it became, under the capable management of Mrs. O'Rourke, one of the finest libraries throughout the state.

Mrs. O'Rourke has resided here since 1908 and has always taken part in public affairs tending to better the community. During World War I she served as head of the Liberty Loan drives.

Always an outstanding citizen and librarian Mrs. O'Rourke will be greatly missed by her multitude of friends and admirers.

Her letter of resignation, submitted to the City Council in May, follows:

May 9, 1947

To The Honorable, The City Council of the City of Daly City, California

Gentlemen:

After 25 years of service as Daly

Car Looting Ring Operates In County Says Deputy Sheriff

San Mateo County's chief deputy sheriff, Walter Moore, believes that a ring of car looters are operating on the coastside of the county.

The thieves, he adds, are interested in money and jewelry of the week-end pleasure seekers rather than clothing.

Three cars were reported broken into on the coastside over last week end despite special patrols of the sheriff's office. One of the victims reported \$600 and all of his clothes were stolen while he was swimming and he had to drive home clad only in his swimming trunks.

Wrong Side Of Street Driver Is Arrested By Police

Ralston Williams, 27 Hillcrest drive, is finding out you are not supposed to drive on the wrong side of the street.

Williams was arrested on Sunday after police found him driving on the wrong side of both Hillcrest drive and Niantic avenue.

He was jailed on charges of reckless driving and drunk driving. He was later released on \$125 bail and ordered to appear in court tomorrow.

Edward N. Duffy, Palo Alto, was also charged with drunk driving during the week. Police found him driving north on Mission street and then east on Market street in a very erratic manner.

Duffy is scheduled to appear in court tomorrow.

CALIFORNIA STATE FAIR

The gigantic showcase which we call the California State Fair will be opened for the first time in six years on August 28 for 11 days.

This year it will not be merely "bigger and better" than ever, but much bigger and much better. A record number of counties will be represented, displays will be more extensive, and the top attendance of 762,228 set in 1941 seems certain to be surpassed.

Since the fair was last held California has developed a mighty industrial empire, but agriculture remains our Number One business. In 1941 state farm income was around \$800 million. Last year it was over \$2 billion.

Nearly one hundred years ago it was gold that drew men by the tens of thousands to California. But it was the natural wealth of the soil itself that caused most of them to stay and build a great state.

California's rise to the top of the agricultural world did not come about, however, solely through the kindness of Nature. Success has come largely through the energy and vision of our farmers, through their willingness to adopt progressive methods and to use modern machinery.

Among the many distinctions California has achieved in agriculture are these: a greater percentage of California farms are powered with electricity than farms elsewhere; California leads in farm mechanization; wages paid on California farms are highest; crop production is the most varied for any comparable region on the globe; and California has become the world's richest farming area.

This is the stirring story that will be told again at the California State Fair. Don't miss it!

CHANGING TACTICS

The Army "ain't what it used to be." At least, it soon won't be what it long has been. Reform and refinement are coming to the military service. In the future hard-boiled tactics, including profuse profanity, will be taboo for Army sergeants. The Universal Military Training Experimental studies made at Fort Knox have shown that good manners and the merit system are far more effective in developing good soldiers than the old familiar rough stuff. What is probably most significant of all in the change is that soldiers will be encouraged not to drink and will be given moral and religious training. During the recent war very reliable reports from the Pacific indicated that a surprising number of top military men thought a certain amount of drinking and immorality was essential to the making of a good soldier. This view has now been refuted by the Army. A nation defended by a military force in which clean living is stressed as an essential part of good soldiery is a nation well defended.

BRITAIN'S TROUBLES

It has been just two years since the British Labor Party came to power. At that time it was pointed out that their victory at the polls might prove a victory for the Conservatives in the long run. In other words, by taking over the helm just as the crucial postwar period was beginning the Laborites were accepting a task so enormous that it seemed highly doubtful if they would be able to handle it successfully. Those doubts have been realized. The Labor Government has proved inadequate for the job. There is little reason to believe, however, that the Conservatives or any other party could have done better. But, since Premier Attlee and his group are in power they must shoulder the blame for Britain's declining economic position. Already the rumblings of dissatisfaction have reached a volume that threaten to push the Labor Party out of office, probably in favor of the Conservatives. Undoubtedly the Laborites have worked hard to improve the situation but the economic weakness and physical weariness in England caused by the war has been too much to cope with. The fruits of victory are not always sweet.

PALESTINE

Conditions in Palestine reached a new low with the hanging of two British sergeants by the underground and the reportedly indiscriminate shooting of civilians in Tel-Aviv by the British as a reprisal. Neither side has improved its case in the eyes of the world by these acts. Swift action by the United Nations is called for. The report of its investigating committee should be ready shortly. Certainly, the present situation cannot be allowed to go on, not only for the protection of soldiers and civilians now in Palestine but for the preservation of world peace. As long as there is a fire burning in the tinder-dry political fields of the world, even though it be a small fire, the world faces grave danger.

Lois Rich And Ralph G. Capps Unite In Marriage

Before the altar of the Little Chapel of Lakeside, Lois Shirley Rich and Ralph G. Capps exchanged vows at a double ring ceremony on Saturday evening, August 2. Reverend H. Rogers tied the nuptial knot in the presence of a large congregation of relatives and friends.

It was at 7:30 o'clock in the evening that Alfred C. Rich escorted his daughter down the aisle. Directly preceding the bride were Miss Doris Verengo and Mrs. Virginia Freeman, bridesmaids; and Verna Moresco, maid of honor. The trio of attendants donned identical frocks of marquisette fashioned with high necklines, ruffled shoulders, fitted bodices, and ruffled waistlines with ruffles continuing down the back. The bridesmaids were in pale blue and the maid of honor in yellow. Doris and Virginia carried heart-shaped bouquets of yellow sweetpeas trimmed with yellow satin ribbon. Verna carried the same in pale blue.

They wore bandeaux of sweetpeas in their hair.

Lois donned for her marriage a gown of heavy eggshell satin with a long train fashioned with a fitted bodice, long tight sleeves, tiny buttons down the back, and draped waistline forming a bustle effect in the back. Her finger-tip veil fell from a satin crown trimmed with orange blossoms from her grandmother's veil.

A heart-shaped background trimmed with white moline, satin ribbon, stephanotis and white delphiniums and centered with two lovely pale pink orchids formed her bouquet.

The something borrowed and blue was the garter first worn 21 years ago by Mrs. Ida Hanley and since then worn by Mrs. Nell Dorrance, Mrs. Emmarillis Dunham, Mrs. Norma Rigler, and Mrs. Barbara Capps.

She also wore another garter given by her girl friends to be worn on their "Lucky Day."

Bill Freeman performed duties as best man. Seating the guests were Pat Johnson and Dave Hansen.

Organist for the ceremony was Miss Barbara Gregor, friend of the bride and bridegroom.

A reception for 200 guests was held at the Legion hall, 474 San Diego avenue. The hall was decorated throughout with white streamers capably done by Bill Freeman. The buffet refreshment table, adorned with many flowers, including dahlias, marguerites, and gladioli, was centered with a lovely 4-tiered wedding cake.

The couple honeymooned at Carmel and flew home by Southwest Sunday afternoon to take up residence at 196B Santa Barbara avenue.

Both are graduates of Jefferson Union High school. Ralph holding the office of student body president and Lois the office of student body secretary. Ralph is now attending San Francisco state.

The bride is the daughter of Mr.

Charm School For Girl Scouts Opens August 22

A three hour charm school will be conducted on August 22 by Mrs. Louise Thompson at 101 Parkview avenue, Mrs. Emma O'Keefe, the program chairman of the Girl Scouts, announced today.

The lecture will feature a three point program: dating technique, beauty care, and social obligations of teen-agers.

Mrs. Thompson will be available from 4 to 7 p. m. and Mrs. O'Keefe suggests that the girls bring a picnic lunch.

The only requirement is that the girls be at least 12 years of age.

College Men Will Judge Plumas Fair

Two College of Agriculture men from the Davis campus of the University of California will act as judges at the Plumas County Fair, to be held in Quincy August 15, 16 and 17.

Carroll Howell, animal husbandman in the College of Agriculture and specialist in horse production, will judge horse and beef cattle classes. Dr. W. W. Robbins, head of the botany division, will judge flowers and other plant exhibits.

The Plumas County Fair, it is announced, will be larger and more inclusive in its agricultural exhibits than at any time since it was started. Large crowds, it is said, are indicated by the interest shown not only locally but from various parts of the state.

and Mrs. Alfred C. Rich, 109 Acton street, Daly City. The bridegroom is the son of Mr. and Mrs. Walter G. Capps, 1200 15th avenue, who formerly resided in Daly City.

Minor Accident Brings Citation

Mrs. Sam Hanick, 1426 Waller street, San Francisco, was given a citation for not having a driver's license in her possession following a minor auto accident on Hillcrest drive on Saturday evening.

The other auto involved was driven by William Traynor, 62 San Pedro avenue.

Police say that Mrs. Hanick struck the right rear fender of Traynor's car as she was pulling out from a parking place. Traynor was driving east on Hillcrest drive at the time.

Two auto drivers, one from Los Angeles and the other from San Francisco, got tangled on Saturday.

Walter H. MacDonald, of the southern city, while attempting to park in front of 6241 Mission street, became hooked onto the front bumpers of a Dodge sedan owned by Aldo Pastorensi, 459 Naples street. The fender guard of the Dodge was broken.

There was minor property damage in an auto accident on Friday evening between cars driven by Iva B. Daniels, 162 Winchester street, and Raymond J. Salisbury, 1235 Shafter street, San Mateo.

Wage Campaign To Keep New Cars From Black Market

Chevrolet Motor Division and its dealer organization from coast to coast are waging a continuous and relentless campaign to prevent new cars from entering the so-called black markets of the used car lots, and are making strenuous efforts to see that new car deliveries are in accordance with an equitable and orderly program based upon the dealer's prewar volume of business, T. H. Keating, general sales manager of Chevrolet, said today.

"It must be kept in mind that Chevrolet dealers are independent merchants and that the Chevrolet Motor Division is not in a position to regulate or interfere with the normal operation of their establishments. Nevertheless, the Chevrolet Motor Division has the moral obligation to protect the good name and public goodwill of Chevrolet, and cooperates closely with dealers in this respect," Keating continued.

"Chevrolet has 6,200 direct dealers in the United States and we are proud to state that to Chevrolet's knowledge, only an infinitesimal percentage of this vast organization violated the common sense rules of good business and good public relations recommended by the Chevrolet Motor Division and practised by the overwhelming majority of their fellow dealers.

"In order to control more closely possible abuses, Chevrolet has reinstated in its contracts with dealers, the prewar 'bootleg' clause, penalizing dealers who sell for resale Chevrolet equipment to anyone but Chevrolet dealers.

"Every complaint received by Chevrolet involving a dealer is carefully checked by our field organization and we are constantly advising and counseling the dealer organization to exercise the greatest vigilance in protecting the interests of the car-buying public.

"Chevrolet dealers have advertised the delivered price of Chevrolet vehicles in countless communities throughout the nation and with the cooperation of the Chevrolet Motor Division attempts to keep the public well informed regarding prices, deliveries, produc-

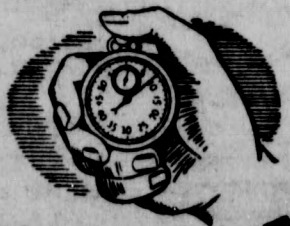

tion and other factors of the situation.

"Chevrolet dealers are just as incensed over abuses in the black markets as are the press and the public and go to extraordinary lengths to guard against speculators and opportunists.

"Unfortunately, however, the Chevrolet dealer does not exercise control over the vehicle after it has been sold, with the result that avaricious owners sometimes speedily dispose of new vehicles in the 'used' car markets and pocket a quick profit.

"It is regrettable, but some of these new car sales have been made by customers who presented strong cases and pleaded with dealers for immediate delivery to alleviate hardships and other compelling causes.

"All in all, the situation is extremely difficult, but, as stated above, the Chevrolet Motor Division and its dealers resent vehemently the abuses over which they have no control and are making every effort to deliver Chevrolet cars and trucks in accordance with the best traditions of public service."

PLANE MAKES FORCED LANDING ON HIGHWAY

Two young San Francisco amateur pilots narrowly escaped death Saturday morning when they were forced to make an emergency landing on busy Highway 1 next to the Lake Merced Golf Course just west of town.

The men were Thomas B. Young, 26, pilot, and William Andrews, 28, passenger, both employed as technical operators with the Pacific Telephone and Telegraph Company.

Witnesses said the plane, an Aeronca two-seater belonging to the Bay Meadows Airport, missed oncoming automobiles by inches.

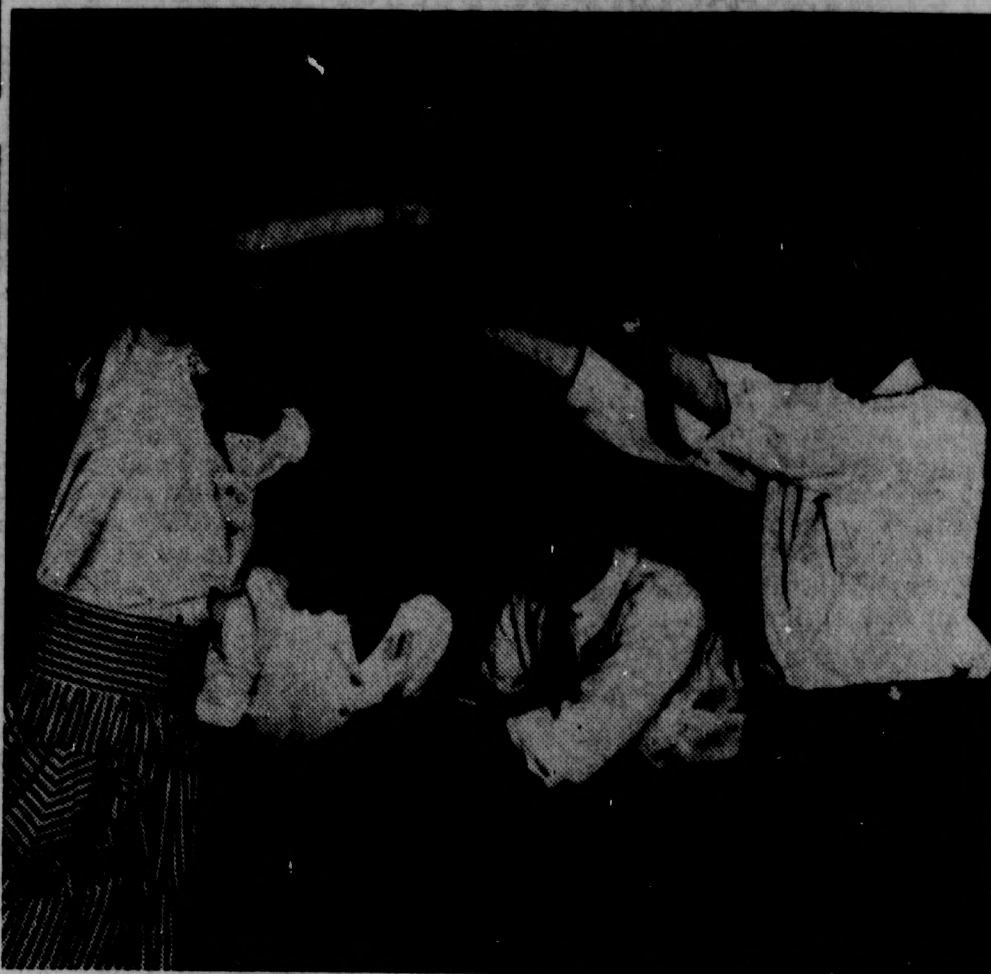

Daly City police were notified of the near accident by a passerby soon after the plane was forced down. Three officers, Sergeant Roy Beecher, Patrolman Henry Sundermann, and Officer Edward Beecher, then hurried to the scene and cleared a stretch of highway pavement for an emergency runway.

Young said the motor became overheated and stopped and the only level space in the rolling terrain for him to land was the highway.

Young and Andrews merely spun the propeller and taxied down the highway for another takeoff. But soon after the takeoff the plane developed engine trouble again. This time the plane made a forced landing at the San Francisco Airport.

The two air enthusiasts thought it best not to try any more flying

Our favorite letter to you

Starts like this: "We will soon have facilities to care for your telephone service" . . . So far this year we were able to send out these letters to thousands of people—provide 125,000 more telephones for Western homes and businesses. But meanwhile thousands of new orders came in, which await their proper turn.

If you're waiting for such a letter, we want you to know we're speeding this year's record-breaking construction program for the Pacific Coast States . . . new buildings, central office equipment, wires and cables . . . about two hundred million dollars worth of the things needed to bring service to everyone who wants it.

New Working Dollars . . . Millions of new dollars needed to build buildings and buy new equipment to meet the public demand for more telephones and more service do not come from tele-

phone bills. New dollars come from people who are willing to put their savings into the business. We must earn enough to attract these new working dollars.

There will still be a delay—in some cases a long delay—before we can take care of all who want telephone service. But we are hurrying the day when our Service Representatives will again be able to promise you a telephone the day you want it. That's our goal . . . and we're working all-out to achieve it.

Frederick Peterson Voices Disapproval Of San Francisco Supervisors' Activities Towards Annexation of S. M. County

"It no longer is a joke," County Executive Frederick Peterson said today when he discussed the action of the San Francisco Board of Supervisors aimed toward eventual annexation by that city of the northern section of San Mateo County.

"San Francisco has been talking about it for 25 years, but now that the supervisors have taken official action, this county must consider it seriously," Peterson added.

He went on to say that "the people of San Mateo county are going to be very careful before taking such action. Their taxes would go sky high to the level of the City and County of San Francisco, without getting any benefits."

Peterson believes financial reasons is the prime motive for the San Francisco board's action.

"I think that the supervisors of San Francisco are simply doing their duty," he said. "They have to raise more finances. They have been talking about income and business taxes and naturally they are going into the field of raising money by attempting to annex part of San Mateo county."

One way to get San Mateo county "down the line" has been proposed by a San Francisco real estate executive, James Hurst. He wants San Francisco to withdraw its water and other facilities if San Mateo county balked at being absorbed.

But this idea was quickly dampened by Alvin S. Hatch, chairman of the San Mateo County Board of Supervisors. He declared that "I've never heard of a public service which can discontinue its service to the people."

He added, "My understanding is that under the Ryer Act San Francisco MUST supply the Peninsula with Hetch Hetchy water."

As for San Francisco withdrawing other facilities from the Peninsula, Hatch said: "They can have their jail and if they want to roll up Mills Field, that's all right too."

Few of the San Mateo county supervisors have taken the idea of annexation seriously, but all are unanimous in their opposition to the idea.

Some of the supervisors have pointed out that with annexation the City and County of San Francisco would get — and tax free — the San Francisco Municipal Airport, San Francisco County Jail, water facilities, dump and other properties which are now located in this county and on the county's tax rolls.

Already the San Francisco board has appointed a commission to work for annexation of all of San Mateo county north of Burlingame.

Daniel E. Sullivan, assistant district attorney, says that the only practical way for San Francisco to accomplish the annexation is "Unit by unit" with each area voting separately.

Under the present plan, the group proposes to circulate a petition in the entire area in question.

Thus if one unit in the area, such as Daly City, should vote against it, it would knock out the whole scheme.

Free Funnies For The Kiddies

Free Dick Tracy Funny Books will be given to boys and girls attending the Saturday matinee at the Daly City theatre.

These books will be distributed to the children through the courtesy of the Daly City Hancock Super Service Station located back of the Bank of America building.

Official Visit Of Grand Officer On August 6th

On Wednesday evening, August 6, newly appointed Deputy Grand President Dolores Bozzo of Bonita Parlor No. 10, Redwood City, paid her first official visit as a deputy to El Carmelo Parlor No. 181, NDGW.

The previous meeting on July 16 was the occasion of installation of officers of El Carmelo and through an oversight the name of Thelma Ferretti being installed as past president was omitted from the last issue of the paper.

Two officers were absent due to vacations so it was the duty of the new deputy to install Mrs. Lorraine Alvigi as third vice-president and Mrs. Anne Biggio as trustee, which was done in a most commendable manner.

New Arrival At Rodondi Home

Paul Anthony was the name given the son born to Mr. and Mrs. Andrew Rodoni of South San Francisco on Tuesday morning, August 3, at 10:10 o'clock at St. Mary's hospital. He tipped the scales at 8 pounds 5 1/2 ounces.

Maternal grandparents are Mr. and Mrs. Leon Fellman, of 148 Peoria street, Daly City. Paternal grandparents are Mr. and Mrs. Anthony Rodoni, of South San Francisco.

Recorder's Office Shows Increase

The revenue of the county recorder's office in July 1947 was \$1500 greater than the same month last year.

The office handled 5396 papers for fees of \$10,247.55 last month while it handled 5395 papers in July 1946 for fees of \$8632.40, T. C. Rice, county recorder, said today.

Applications for marriage were down, 160 to 130.

Royal Neighbors Sewing Club Met Tuesday Evening

The Royal Neighbors of America Sewing Club met at the home of Mrs. Anna Romer, 87 Shakespeare street, Tuesday evening, August 12. Mrs. Romer was assisted in entertaining the members by Mrs. Marie Ruecker. Two hand made aprons of unusual design were donated to the club by Mrs. Mae Miller, and an exquisitely hand embroidered dresser scarf was donated by Mrs. Margaret Heaton.

After a short business session, the members spent the remainder of the evening in a sociable game of cards. Delicious refreshments of sandwiches, cookies, fruit dessert, and coffee were served.

In addition to the hostesses, the members present were Mesdames Nellie Allen, Geraldine Allen, Lillian Thomey, Marie Thompson, Helen Specht, Agnes Wood, Cora Ray, Elizabeth Sorensen, Faye Nielsen, Annie Smith, Cinderella Weller, Mae Miller, Johanna Hedval, Grace Coolish, Lois Storm, and Laura McKenzie.

County Employees May Get 10 Pct. Pay Raise Soon

The San Mateo County Civil Service Commission is scheduled to make a decision at its meeting tomorrow on whether to give county employees a blanket 10 per cent raise.

The last general salary boost, an 11 per cent one, for county employees was made a year ago. In May another increase was granted to certain employees.

The county employees union last week requested the wage increase after a study of industrial, city and county wages in the Bay Area, showing that cost of living in San Mateo county has risen seven per cent during the past year.

61,299 Registered Motor Vehicles In San Mateo County

San Mateo County had 61,299 registered motor vehicles of all classes during the first six months of this year, the Department of Motor Vehicles in Sacramento reported this week.

Registrations for the county were classified as follows: Automobiles, 53,220; trucks, 4016; motorcycles, 476; trailers, 3587.

Statewide registration was given as: Automobiles, 2,878,740; trucks, 317,095; motorcycles, 40,287; trailers, 293,093.

Sheriff's Posse To Give Dance Saturday, Aug. 23

One of California's most colorful riding organizations, the San Mateo County Mounted Sheriff's Posse, will dismount at Bay Meadows clubhouse Saturday night, August 23, for their third annual Western carnival dance.

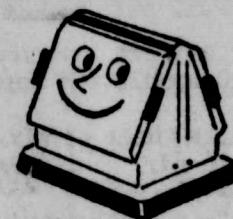

Paul Law's 12-piece orchestra, known for Larkspur Bowl, Russian River, and San Francisco hotel engagements, will play for dancing.

Proceeds of the dance will go to complete a clubhouse built near Colma for the rough-ridin' 50-member organization under the general direction of Sheriff Jim McGrath and captained by Dr. Ray Harris. Second captain is Harry Roche, first lieutenant is Richard Clark, second lieutenant is Warren Jones, and Thomas Luzander is sergeant-at-arms. Dance entertainment chairman is Dr. William Ward, assisted by Frank Ratto, George Olmo, J. Matire, Ed Koll, and Vic Rossi.

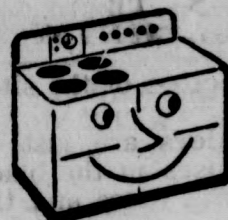

Organized in 1939, the high-stepping San Mateo Mounted Sheriff's Posse, in their Western outfits with wide-brimmed hats and white jackets with red and blue trim, riding their Palominos and other blooded California horses, have been an outstanding feature of many state, county, and community celebrations and parades.

ELECTRICITY

... today's best bargain

Remember when you first plugged in your refrigerator? It started right off with a whirr and has continued to run and run and run. And through the years it has stored tons of food, keeping it safely and appetizingly cold—it has frozen hundreds of pounds of ice.

Yes, your refrigerator like so many of the electrical servants working for you, gives wonderful service. And the best part of each of these many services, is their low cost. Your refrigerator for example, runs and runs for a variable cost of fifty cents to one dollar a month. Or that 60 watt lamp, that was left on all night, would add only one cent to your electric bill.

"Life is better in California"—and one reason is because electricity is so cheap and every home can afford to use many, many dependable electric servants. Your electricity, delivered to you by good reliable P. G. and E. service, costs less than it did before the war. With most all other items in the cost of living going up and staying up, P. G. and E. electric rates have gone down 16 per cent since 1939 and stayed down.

Plan Luncheon For Congressman Jack Anderson

A welcome home luncheon for Congressman Jack Anderson will be held in Daly City on August 26. Anderson is due home from Washington on that date and he will discuss the Marshall plan, the Taft-Hartley labor bill, the veteran terminal pay bill, and the income tax reduction bill.

The welcome home day will be highlighted with a dinner at the Benjamin Franklin Hotel in San Mateo with Judge Edmund Scott presiding. Breakfast will be held in Half Moon Bay with Judge Manuel J. Bettencourt presiding. Chairman of the Daly City luncheon will be Hugh Smith jr.

Off The Blotter

W. E. Berry, 962 Edinburgh street, reported his auto stolen from Knowles and Niantic avenues on Monday afternoon. The auto was a 1936 Ford two door sedan.

Two and one half year old Frederick Watson, 113 East Vista avenue, fell and broke his hip early Saturday morning.

The burglar alarm at Jefferson Union High School started ringing about 3 p. m. on Saturday and when police arrived they found that the alarm had not been turned off before the door was opened.

Herndon W. McNutt, 190 Edgemark street, was picked up by local police on Saturday on a misdemeanor charge brought by the El Cerrito police department. He was released to Lt. Thulin of the El Cerrito police.

The U.S. Navy Department informed the local police department on Saturday that Wilson N. Flowers, formerly of 55 Beta street, had been absent from the U.S.S. Farebault since August 4.

Sergeant Beecher called at the Daly City address and was informed that Flowers had moved to a housing project in Richmond.

Elaine Clifton, 179 Vista Grande avenue, is scheduled to appear tomorrow before City Judge William J. Sweeney on a charge of being drunk in a public place. She is now out on a \$10 cash bail.

Perry L. Gast, 1412 Shafter street, San Mateo, is charged with being drunk in a public place and causing a disturbance. His bail has been set at \$50 cash.

Erick Egland, Petaluma, California, was admitted to the Junipero Serra Hospital on his own request on Monday after he was found drunk on Mission street and jailed on a charge of being drunk in a public place.

Two other people were jailed on charges of being drunk in a public place during the week and are now out on \$10 cash bail. They are Bill Menders, 725 Moultrie street, and Clarence R. Beall jr., 37 Natick street. Both are scheduled to appear tomorrow before City Judge Sweeney.

Rene Amaya, 427 Villa Terrace, San Mateo, was found drunk and helpless on Saturday evening on a street car at Hillcrest drive and Mission street. She was unable to raise the \$10 bail but was released anyway with the advice to stay out of Daly City.

A carelessly thrown cigarette caused a fire in the gully next to the Lake Merced Golf Club on Saturday morning. Companies 1, 2 and 6 responded.

On Saturday afternoon there was a grass fire in the hedge near the railroad tracks at the end of Vale and Station avenues. Companies 1, 2, 4 and 6 responded.

On Friday there was a fire in the rubbish pile at Vista and Miriam avenues and companies 1, 2 and 4 responded.

Fensier Trial Is Set For August 22

The trial of Stanley L. Fensier, 21, 22 Hopkins avenue, Redwood City, on a charge of failing to obey a flashing yellow or caution signal will be held on Friday afternoon, August 22. The date was set by City Judge William J. Sweeney during the court session last Friday.

At the time Fensier, who was represented by Norman S. Menifee, Redwood City, pleaded not guilty to the charge.

According to the police report, Fensier, who was driving a 1938 Pontiac coupe, south on Junipero Serra boulevard, struck William J. Charles, 390 Fair Oaks street, San Francisco, who was either riding or pushing a motorcycle across the boulevard near School street. The accident happened on July 13.

Tinina DiGrandi And Ray Bianchini Unite In Marriage

Raymond Bianchini, son of Mr. and Mrs. Anson Bianchini, former residents of Colma, now residing at 300 Casistas avenue, San Francisco, was married to Miss Tinina Joan DiGrandi, daughter of Mr. and Mrs. S. DiGrandi, 926 Taylor street, San Francisco on Sunday, July 27. The double ring ceremony was performed at 3 o'clock at the St. Peters and Pauls church by Father Costanzo.

Miss DiGrandi was given in marriage by her father.

The bride wore traditional satin and a long veil held in place with an open crown of lilies of the valley. She carried a cascade bouquet of butterfly orchids and bouvardia.

Maid of honor duties were performed by Carmelita DiGrandi. Bridesmaids were Misses Olga Francesconi and Nancy Patania.

They were all gowned in yellow off - the - shoulder marquisette gowns, and carried bouquets of pale pink begonias. Coronets of begonias made up their headpieces.

Hugo Poggio stood with the groom as best man. Ushers were Frank DiGrandi and Anthony Caramagno.

A reception for 400 guests was held at Ariel Rowing club.

The couple honeymooned at Carmel, Santa Barbara, and Mexico. They will make their home in San Francisco.

Decision To Abandon Canyon Sanatorium Site For T.B. Facility To Be Made Official

The decision to abandon Canyon Sanatorium as a site for the new San Mateo County tuberculosis facility probably will be made official by the county board of supervisors within the next few weeks. This was the conclusion drawn today from statements made by Alvin S. Hatch, board chairman.

Three San Mateo county physicians told the board at a dinner meeting on Wednesday that in their opinion it would be a mistake for the county to start spending money for construction of a new facility at Canyon Sanatorium. The physicians were Dr. Albert G. Miller, Dr. Lester Russell, and Dr. Edward S. Schulze.

Thus a vote on a new and bigger bond issue for the facility appears virtually certain.

The local physicians told the board that the \$250,000 planned for the new facility would be entirely inadequate for future needs in a 25-year program.

Meanwhile, Dr. Charles C. Gans, county health director, says that the number of new cases of tuberculosis reported in the county so far this year is more than double the number reported for the same period a year ago.

So far this year 141 new cases have been found, as compared with 63 for the first seven months of 1946.

Twenty-two persons have died of tuberculosis so far this year in the county as compared with 37 for the entire year of 1946.

The county now has a total of 475 tuberculosis cases, Gans said, including 170 minimal cases and 67 moderately advanced cases.

"These figures indicate an urgent need for additional facilities immediately," Gans added.

No. 43434

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

ARTHUR A. NEWHOUSE, Plaintiff, v. ALL PERSONS claiming any interest in, or lien upon, the real property herein described or any part thereof, Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA TO ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON THE REAL PROPERTY HEREIN DESCRIBED OR ANY PART THEREOF, DEFENDANTS, GREETING:

YOU are hereby required to appear and answer the complaint of ARTHUR A. NEWHOUSE, plaintiff, filed with the clerk of the above entitled court and county, within three months after the first publication of this summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situate in the County of San Mateo, State of California, particularly described as follows:

Lots 47 and 48 in Block 3, as designated on the map entitled "NORTH MILLBRAE SUBDIVISION NO. 1, SAN MATEO CO. CAL." which map was filed in the Office of the Recorder of the County of San Mateo, State of California, on December 2, 1907, in Book 5 of Maps at page 49.

AND you are hereby notified that, unless you so appear and answer, the plaintiff will apply to the court for the relief demanded in the complaint, to wit: a decree and judgment establishing that the plaintiff, ARTHUR A. NEWHOUSE, is the owner of an estate of inheritance, viz, the fee absolute title of the property described in the complaint and hereinbefore described, of the whole and each and every part thereof, against all of the world, and that there exists no adverse claims of any character whatsoever to the aforesaid title of the said plaintiff, and for such other relief as may be prayed for or authorized by the law and statute in such instances made and provided.

WITNESS my hand and seal of said court, this 12th day of June, 1947.

berculosis hospital have been in a state of suspension for more than two months because District Attorney Gilbert D. Ferrell said that the bond issue of \$125,000 voted last November could be used for construction of a new facility only at the present site of Canyon Sanatorium west of Redwood City.

The other course of action was to build the sanatorium adjacent to Community Hospital but this would mean a delay of up to two years because of lack of building materials and the necessity of re-submitting the bond issue to a vote.

The supervisors already voted to build the sanatorium adjacent to Community Hospital.

When the new bond issue is submitted to the voters — probably next year — Hatch said that it will be substantially larger than last year's \$125,000. And because only about \$50,000 would be available in state matching funds most of the money would have to be raised by direct taxation or a bond issue.

Rod And Gun Club Add Live Turtle To List Of Members

Who gets the turtle? The Daly City Rod and Gun Club has installed a live turtle from the Larralonis Islands as one of its new members.

A drawing will be held every meeting for the absent members and the first name pulled will be custodian of the turtle for two weeks.

Joe Lewkowicz, of the Hancock station on Mission street, said today, "Boys don't miss your meeting night. Also a rod and Ocean City reel is soon to be given away, too."

FEDERAL JUDGE SENTENCES WARD TO 4-YEAR TERM

William Edward Ward, 24, of Daly City was sentenced to four years in federal prison last Friday after he pleaded guilty in federal court in San Francisco to a charge of transporting a stolen automobile from Aurora, Colorado, to Daly City.

Before passing sentence Federal Judge Louis E. Goodman said that Ward had the "longest record I've ever heard of for a man of his age."

FBI agents told the court that Ward had been in and out of jails and prisons since he was nine when he was sent to a reform school in Oklahoma. Last June 30 he escaped from an Oklahoma state prison road camp. He also is wanted for escapes from the New Mexico state prison and from jail in Bellevue, Kansas.

Ward was arrested July 30 by Daly City policemen after he was spotted walking along the railroad tracks in the southern end of town.

The policemen followed him to the home of his father, Warner Ward, 121 Los Banos avenue, where four officers, under the command of Police Chief Sunderland, closed in on the house and found Ward in an upstairs hallway.

Ward also was implicated in the July 18 burglary of the Maxwell Cleaners, 7348 Mission street.

Judge Sweeney Has Busy Day At Friday Session

The local police department's recent more stringent enforcement of the 45 minute parking limit on Mission street seems to be paying off. Thirteen citations were issued last week and each citation carried a \$1.50 fine.

Close second for number of citations were speeding and hill hold violations.

City Judge William J. Sweeney, in traffic court on Friday, fined Melvin Cicero, Francis Hanify, Marvin Hargis, James Hughes, Charles Kennedy, H. Raehmke, Carl Landgren, E. Tromberg, Tommy West, Harold Emmick, S. Murphy, Vaughan Burkenhoff, and Thomas Quickert for overtime parking.

Hill hold fines of \$2.50 each were paid by Roy Blevins, Vincent Bruno, Earl Crum, Gerlad Doyle, John Ellwood, Max Fielder, George Jester, Michael Kutlik, Maurice La Fayette, Bartholomew Ramhaud, Robert Romine, and Horace Watson.

Francis Chiste paid a \$7.50 speeding fine while Fredric Brannan, Edna Deskins, Lewie Fear, Albert Lampert, and Stephen Okey each paid \$5 fines. Ezra Butler paid a \$3 fine and Grant Hooker, Oscar Robinson, Hanora Walker, and Wayne Ware each paid \$2.50 fines.

A Levin and L. E. Sachett each paid \$2.50 fines for parking in a prohibited zone. Vincent McGrath paid a \$2.50 fine for parking in a safety zone.

Fines of \$2.50 for passing through a signal were paid by Ernest Fecher, Clyde Hearold, Jum Jaynes, Clarence Jordenon, Joseph Roberts, Maxford Schwarz, Chadwick Welborn, Camille Wolf, Blaine Head and Ida Dagen.

Mrs. Fern Connors, 30 Los Olivos avenue, was fined \$35, given a suspended sentence of 10 days in the county jail, and placed on probation for six months by City Judge William J. Sweeney in court last Friday. Mrs. Connors was charged with being drunk and disturbing the peace in the vicinity of 6200 Mission street early Friday morning.

Mrs. Connors told the court that her husband, a seaman in the Navy, was home for a short leave and he had left for his ship the previous evening bound for China.

Mrs. Dorothy Marino, 32 Germania street, San Francisco, was fined \$25 on a petty theft charge. She was charged with stealing three Mexican flower pots valued at \$1.50 each from the Lake Merced Nursery and Flower Shop on Sunday evening, August 3. The complaint was signed by Pete Concl.

The case of Joe Josephs and Edward Hallenbeck will be continued in court this Friday. Josephs, now out on \$10 bail, is charged with being drunk in a public place, while Hallenbeck, now out on \$125 bail, is charged with driving while under the influence of liquor.

The \$10 bail of Carl McClung and George Chamberlain, both charged with being drunk in a public place, was ordered forfeited by the court.

Funeral Services Held Thursday For Mrs. J. L. Gloss

Funeral services were held this morning at the chapel of the W. C. Lasswell and Co. for Mrs. Johanna Louise Gloss, 89, 138 Vista Grande avenue, who passed away at her home on Monday following a short illness. Inurnment was at Cypress Lawn Memorial Park.

Mrs. Gloss, a retired housewife, was the widow of the late Mr. Sebastian Gloss.

She is survived by 19 grandchildren, 30 great grandchildren and two great great grandchildren.

Country Dance Held August 9th By Pershing PTA

On Saturday night, August 9, the General Pershing PTA country dance was held in the Fire Hall on Bellevue avenue. There was lots of fun, and round dancing interspersed with square dancing made short minutes of the hours from 8 'till 12.

A highlight of the evening was bright lights for pictures taken by Miss Luccia Brann of 385 Bellevue avenue.

Announcement was made of the next dance to be held on Saturday, September 6, in the Bellevue avenue Fire Hall. Arrangements are being made by co-chairmen, Mrs. Jack Caine and Mrs. V. M. Faragher.

\$2,300 Used For Tomato Insect Control Tests

A \$2,300 grant, just accepted by the University of California College of Agriculture from the California Farm Bureau Federation and the Canners' League of California, is being used for the second year to continue field tests of many new insecticides as controls for tomato insect pests.

A. E. Michelbacher and W. W. Middlekauff, University entomologists who are directing the work, also disclosed that the project is greatly expanded over 1946. They are aided by six student field assistants.

New insecticides are being tested fully, especially as sprays, to reduce the problem of drifting to nearby properties. Both airplanes and ground machinery are being used. Repeated tests using the same insecticides throughout the

Start Work On New Building For Dolan Supply Co.

Construction on a \$40,000 retail store and showroom will soon be started on Mission street for the Dolan Building Supply and Wrecking Co. Work on the new building will start as soon as plans are completed, probably within 30 to 60 days.

The Dolan company is now located on the east side of Mission street near Citrus avenue almost directly across from the Jefferson Union High School. The present plans call for the erection of the new building directly across from the present location and between Mission and Miriam streets.

Dolan's have been in their present location for some 25 years. They intend to use the present location for an open storage yard.

The new building will contain 8,000 square feet and will have a show room, mezzanine, and a complete basement.

From such results, recommendations can be made which apply to larger areas. Possible residue hazards and correct dosages of new insecticides also are being studied. In March 1947 the Canners' League supplied \$4,900 for this tomato insect control work.

Daly City Hardware Pour On The Coal--- Win Game 54 to 0

The Daly City Hardware defeated the Leopards 54-0 on Monday morning, on the high school field.

Highlights of the game were 12 stolen bases by "Buster" Sherriff, a home run by Alex Findkay, six hits in ten times up for Jack Cooper and a triple by Leo Giannecchini.

Valverde and Sheriff both scored eight runs each while Giannecchini, Findlay, and Matzek were responsible for seven runs each.

DC Merchants Team Take O'Neill Drugs By 4 to 1 Score

The Daly City Merchants defeated O'Neill Drug 4-1 last Sunday. Lefty Hazel, new left-handed pitcher for the Merchants, allowed only three scattered hits. The game was played at Marchbank Park.

O'Neill Drug made their lone run in the first inning after Teshara hit a single over second base to score Boneill.

The Merchants were scoreless until the fifth when Neil Pezzola hit a triple to center field then stole home to score the first run. In the sixth two more runs were scored after Sylvestri started with a double to right field, then Sick and Fazzio both hit in succession. Sylvestri and Sick both scored.

Garner got a hit and scored in the seventh to make the score 4 to 1.

Termite Culture Method Revealed

The termite, ironically enough, is a gastronomic prima donna. He is even more choosy about his housing conditions. In fact, scientists have a very difficult time keeping alive these insects which seem impossible to kill when they get into the woodwork.

To overcome these barriers to careful study of the biology of termites, University of California scientists have prescribed, in a paper to be published in tomorrow's issue of Science, a diet which

Senior Boys' Club And Ursin's Tavern In 10-Inning Tie

Even after ten innings of play at Marchbank Park last Sunday the Colma Senior Boys' Club and the Ursin's Tavern were still tied 2-2.

The main attraction was the pitching duel between Sutter and Mossi.

In a practice game on Saturday at South San Francisco the Colma team defeated the South City American Legion team 10-1. Mossi pitched a one hitter.

has proved successful in the recent culturing of the insects.

The new method of culturing termites was originated by the late Dr. S. F. Light, professor of zoology, with the recent assistance of Miss Frances M. Weesner, graduate student in zoology.

Monterey pine is the filet mignon and the pie-a-la-mode of the new termite regime, and even this insect victual must be handled with care lest the termite go on a hunger strike.

The culture methods were especially successful with the common subterranean and damp wood termites of California, and commercial companies should find them useful in studying ways of controlling the California pests.

Daly City Midgets Swamp Opponents By 47-5 Score

The Daly City Midgets made a 17 run outburst in the first inning when they defeated the Unknowns 47-5 last Friday morning.

The Unknowns put up a little opposition after the first inning and in the second inning the Midgets scored only six runs. The Midgets scored six in the third and fifth, four in the sixth and eight in the seventh.

The star of the game was Vic Baher, who hit four for seven and scored five runs.

Commercial Penicillin

According to a joint statement made by the United States Public Health service, the United States Food and Drug administration and the committee on medical research of the OSRD, commercial penicillin "is not a single substance, but a mixture of several," identified by the letters G, X, F and K. Much commercial penicillin contains K, which is said to be "relatively ineffective against the several infections against which it has been experimentally studied," because of the ease with which it is destroyed in the body.

RESIGNS

(Continued from Page 1)
City Librarian, I feel it is time for me to step aside. Therefore, I am tendering my resignation to be effective September 1st, 1947.

During these years, it has been my happy privilege to serve the people of Daly City in one of the finest libraries in San Mateo County. It is with a mingled feeling of satisfaction and regret that I leave this position.

It is a real reward to me when I recall assisting little tots and watching them progress through the years and eventually take their places in the community. Young and old, grade pupils, high school and college students, all are part of "my library family."

It has been a long journey and a great step forward, from our one-room John D. Daly Library to our present beautiful facility. Many of our citizens who were issued cards in grammar school, through high school and later, college, are now grown-ups and are still among our regular readers.

This library has truly been a part of me and I know I will miss the many lovely people whom I have had the privilege to serve.

To my successor, whoever she may be, I want to wish the very best luck and success, and to you gentlemen of the council, my sincere thanks for the excellent cooperation you have extended to me at all times during these many years.

I am truly proud to have played a part in the progress of Daly City and its fine people. I feel secure in the knowledge that this progress will continue.

Very truly yours,

MRS. JEAN O'ROURK

LIONS CLUB

(Continued from Page 1)
the joint efforts of the Daly City Recreation Department and the County Boys' Boosters.

Bonowitz, who is president of the Boosters, will conduct the school. Included on the coaching staff will be Bert Dunne, Heinie Thompson, Bernie Deviereros, Bob Evans, and Hal Stoevan.

Bonowitz said after the meeting yesterday that it would be a fine idea for some of Daly City's civic minded residents and organizations to get behind such a worthwhile project as recreational activities for the youth of the city.

"Junior Tiger" Makes First Solo Flight Monday

Frank E. Rehe jr. doesn't see much future in filling gas tanks and oiling springs at his father's gas station at the corner of Mission and Flournoy streets. The 25-year-old veteran of six years service in the Navy would rather fly than do most anything and last Monday he made his first solo flight at the Belmont Airport.

His father, also an enthusiastic air pilot, last week took Anita Lehigh, 563 Crocker avenue, who is studying to be a stewardess, for a spin. And another employee of the air-minded gas station, Jack Berry, also has made his first solo.

It was during the six years the younger Rehe was in the Navy that he thought about flying out "in the wild blue yonder." At least he thought it would be better than chasing Japanese battlewagons in a submarine in the South Pacific.

Before he entered the service in April, 1941, Rehe was a student at Balboa High School. After training at San Diego, he was assigned to a submarine which had its base on the Australian coast. Later he was transferred to the submarine Scamp. This sub encountered a Japanese submarine near Raboul. A 21-inch torpedo passed directly above the American submarine but after a thirty minute battle all that was left of the Japanese submarine was an ocean of oil.

It was after that event that young Rehe decided to become a pilot.

Two Week Vacation For Silver Family

Sidney Silver, of Bishop, California, is now spending a two week vacation with his father, Ben Silver, 119 Hillcrest drive. The younger Silver is accompanied by Mrs. Silver and their five children.

Sidney graduated from the Jefferson Union High School and the University of California with a civil engineer degree in 1928. He went to work for the state highway engineer department in the early 1930's.

Eighteen Girls Enjoy Camping At Santa Cruz Beach

Eighteen girls from the Jefferson Union High School had a camping and outing party at Santa Cruz last Saturday and Sunday. The girls were accompanied by Miss Mary Falbo, director of the high school playground.

The girls met in front of the high school at 6:15 a. m. for the bus trip to the ocean playground and beach. After they arrived at Santa Cruz later in the morning they hiked about one mile down the beach looking for a camp site.

The weather was beautiful but hot, so the girls spent most of their time in the surf. They cooked their own dinner about six in the evening after they had gathered wood and built a fire on the beach.

After dinner they went to the boardwalk and took in some of the concessions.

About 10 p. m. that evening they returned to their camp site to roast marshmallows and tell stories around the camp fire. They turned in after an eventful day around 11 o'clock.

The next morning they were up about 6 o'clock. They cooked their own breakfast and ate heartily. After another day at the beach they boarded a bus for San Francisco at 3:30 in the afternoon. About three hours later they were back home tired but very happy.

Adult Programs To End Events In Summer Rec. Dept.

Two night programs especially for adults will wind up the summer events of the Daly City recreation department. The programs will take place on the next two Wednesday evenings, August 20 and 27.

Next Wednesday the program will feature crafts and hobbies. There will be exhibits in the high school cafeteria from 7 to 8 p. m. and from 9 to 9:30 p. m.

E. J. Rose, recreation director, has invited all parents and friends to attend the program as they will have an opportunity to observe the children at work on their favorite crafts.

There will also be a musical program and two colored movies in the auditorium from 8 to 9 p. m. The movies, entitled "Playtown, U.S.A." and "\$1,000 for Recreation," will show the ways and means to develop community recreation.

On the following Wednesday evening, August 27, there will be a boxing, tumbling and folk dancing exhibition at the high school.

Boxing classes have been in progress every Tuesday and Thursday evening for the All-Recreation Championships which will be held that evening.

The boxers who have already signed up with Coach Bob Seiler are as follows:

County Realtors Adopt Resolution Re "Annexation"

Members of the Burlingame-San Mateo Real Estate Board went on record Monday against "severance of any portion of San Mateo County" to San Francisco. The action was in the form of a resolution adopted at a meeting at the Villa Chartier.

The realtors also denied that there has been any official discussion of the annexation proposal with outside interests by the real estate board or any of its officers or directors.

S. M. County Taxes Are 13 Pct. More For This Year

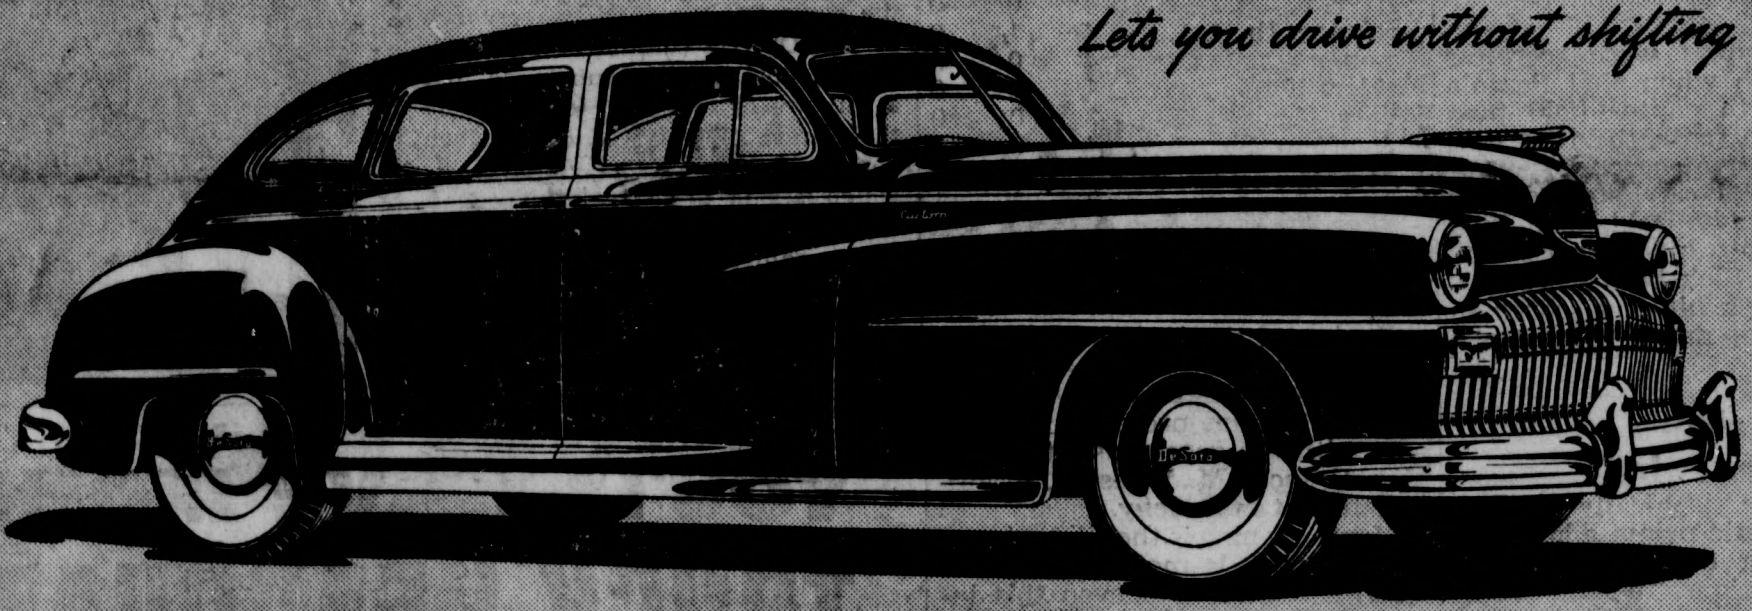

Tax revenue levied in San Mateo county for 1947-48 is about 13 per cent more than what it was last year, California Taxpayers' Association reported this week.

This means that every cent of county-wide property tax rate levied for this fiscal year will bring in approximately \$17,357 as compared with \$15,329, which a cent of county tax rate raised last year.

Production of each cent of tax rate for this year is estimated on the pre-equalization value of taxable property in the county of \$173,574,743.

Vacation Over For Membership Of Court St. Mary

"Vacation for Court St. Mary's is over," says Grand Regent Jeanette Lacchini, of Court St. Mary No. 1155 Catholic Daughters of America. The first meeting after vacation is to be held on Thursday evening, August 21, at Masonic Hall, Daly City.

Valetta Ennis, entertainment chairman has a very nice evening planned, and Helen Rode, chairman of refreshments for the evening, is working on something that will appeal to all. Grand Regent Jeanette Clarke has a very interesting meeting scheduled. There is much business to discuss, and plans are to be laid for the coming year.

Gladys Walden is issuing a call for all the members to bring in their labels for the "Lady Go Lucky" program.

Plans are going ahead for a large whist to be held September 4, at Masonic Hall, with all the officers of Court St. Mary on the committee.

Family Life Training Center At U. C. Ends

Six weeks of intensive study for 170 specially chosen school and city representatives at the Training Center in Family Life Education on the Berkeley campus of the University of California ended last week.

The 170 studied the biological, psychological, and sociological bases of premarital, marital, and family relations to fit themselves to conduct similar programs in their own communities. The center was held primarily for high school and college teachers, counselors, nurses and community health workers of the seven western states.

Women Of Moose Meet On Friday

The monthly meeting of Women of the Moose, Chapter 739, will be held tomorrow evening at 26 Seventh street. Committee reports will be due at the meeting.

Recorder Gladys Sisco and Child Care Chairman Arline Ayers left yesterday to attend the National Convention of the Moose to be held in Columbus, Ohio.

A benefit party is being planned for Saturday evening, September 27, at the home of College of Regents Chairman Eva Haverlock, 1555 Cayuga street.

University Press Ranks High in Field

Seventy books, scholarly papers and monographs were published by the University of California Press during the 1946-47 school year to place it among the top university publishing plants in the country.

Of the 70 publications, 25 were new books or new editions, 32 were publications in the University's scientific series, and 13 were reprints. On the basis of gross sales as well as printing and publishing records, the Press ranks among the leaders in volume.

Indicative of continuing progress, the fall list contains nearly three times as many titles as did the spring book list. The primary function of the Press is printing and publishing scholarly papers containing the results of research conducted by the University faculty.

Inspect Fan Belt

Occasional inspection of the fan belt on your car for adjustment or replacement is advised by the California State Automobile Association. Oil or grease on the fan belt will cause rapid deterioration.

Guadalupe Parlor Making Plans For Admission Day

Guadalupe Parlor No. 153, N.D.G.W., and Guadalupe Parlor No. 231, N.S.G.W., are eagerly anticipating the ninth of September when they will journey to Long Beach for the Admission Day celebration. The combined drum corps and marching unit will represent the two parlors.

At the last meeting the two parlors participated in a joint installation. Velma Parritt was installed as president of Guadalupe Parlor No. 153, N.D.G.W., and William Shaughnessy as president of the Guadalupe Parlor No. 231, N.S.G.W. Refreshments and dancing were enjoyed by a large gathering and an eventful evening was had by all attending.

Watch Your Step When Dialing Says Tel. Co. Official

"When you place a call to any San Francisco or East Bay telephone number, remember to include a numeral in the central office name so that the call can be completed promptly."

This was the reminder given today by Lyle M. Brown, San Francisco division manager of the telephone company, who called attention to the fact that the number changes are now effective and all Bay Area numbers now include a numeral in the central office name.

"Please destroy all copies of the old green-covered telephone directory," he said. "Most of the numbers in it are now wrong. The new grey-covered directory dated August 10 is now effective and should be consulted before placing calls. Those who have personal number lists for people they call frequently should also revise them by referring to the new book. Failure of subscribers to use the correct new numbers in calling will delay their service," Brown indicated. "Also, if too many people dial in error there may be some delays in other subscribers hearing the dial tone, so please wait for the dial tone before you dial."

"Telephone users have been most cooperative during this transition period and we sincerely appreciate the care they are exercising in calling the new numbers as they are listed in the new August 10 directory. This will mean better service for everyone."

Move U. C. Radio To Los Angeles

Radio headquarters of the University of California department of public information will be transferred from Berkeley to the Los Angeles campus, it was announced today by Dr. Robert G. Sproul, president of the University.

The change will be effective September 1, 1947, when the office of Hale Sparks, University radio administrator, will be established on the southern campus.

The University radio service covers all eight campuses throughout the state and has been centered at Berkeley since its inception in 1931. Overall direction of public information activities will continue to come from the office of the Assistant to the President on the northern campus.

To Locate Child Guidance Clinic In Burlingame

San Mateo county's Child Guidance Clinic will be located in a seven room bungalow at 1408 Howard avenue, near El Camino Real, in Burlingame.

The clinic will be operated as a separate unit of county government under control of a board of directors and will function as a diagnostic and treatment clinic for children with behavior and emotional disturbances.

Schools, courts, the probation department and other civic agencies will make use of the clinic.

The directors hope to have the clinic in full operation this fall. The position of director is still unfilled.

Hibernians To Hold Annual Ball On Saturday, October 18

The Ancient Order of Hibernians in America, Division No. 2, will hold its 79th anniversary ball on Saturday evening, October 18, at the Geneva Auditorium, 1074 Valencia street, Alexander J. McDonauld, president, announced today.

Jerry Cronin has been named general chairman, and George R. Reilly, national organizer, honorary chairman.

Clean That Windshield

For safety's sake, keep the windshield on your car clean and unobstructed at all times, urges the California State Automobile Association. A clean windshield also eases eyestrain and makes for driving comfort.

Take It Easy—And Live

Advice to pedestrians from the California State Automobile Association: Cross only at intersections or crosswalks. Look both ways before you start. Walk, don't run.

FRESH!

Safeway takes special care to bring you sweet corn at its peak of goodness! To begin with, our buyers select only the plumpest young ears. And they insist that the corn be picked in the cool of early morning before the sun's heat can drive away any of the juicy flavor from the tender kernels. Then the corn is rushed to our stores...all its natural goodness protected by controlled refrigeration. Like all our fruits and vegetables, corn at Safeway is guaranteed to be exactly right...fresh and flavorful...or your money back.

Paper Rugs
One of the possibilities of the future is the use of paper rugs. The secret, of course, is a flexible plastic. Gay colors, durability, waterproofness, stay-putness, and ease of cleaning are mentioned as other advantages. The material may have other uses, including coverings for furniture.

Radio Prize Hoax Fools Many

Local radio stations, disillusioned "prize winners" and the Better Business Bureau were trying to unravel the mystery of a radio prize hoax which has reappeared in this area within the past week. Many "winners" have appeared at a local radio station to collect a \$500 prize which a telephone call informed them they had won and would receive if they would go to the radio station office to collect. Some have come from cities located at some distance from San Francisco, only to find that the telephone call was unauthorized.

According to the Better Business Bureau, the hoax has been perpetrated at various times in cities all over the country but to date no one has been able to trace the source or to ascertain the motive.

Three Factors May Ease Impact of Low Prices

Three special conditions, especially favorable to California, may protect California farmers somewhat from the impact of falling farm prices and land values which seems certain in the next few years, believes Dr. James M. Tinley, farm economist in the University of California College of Agriculture.

First hopeful sign is that California grows many specialty crops whose demand has increased greatly with the wartime rise in consumer buying power. This demand will continue strong while purchasing power remains high.

The rapid increase in population in California, which is continuing, may be an even more important influence, Tinley thinks. More than 2,500,000 more persons live in California now than in 1940, almost a 40 per cent increase. More people mean more demand for farm crops, which in turn means lower trans-

portation costs and higher returns to farmers.

The third factor bolstering farm land and crop values in California is the prospect of higher average yields per acre.

"Despite these favorable signs," Tinley warns, "the spectacular jump in farm land values should cause considerable concern to everyone. The real danger from high-priced land comes when farms change hands, and it's the buyer who is the real risk-taker then."

of the Milady of California magazine, has been named director of the fashion event, according to an announcement made public today by Ned Green, secretary-manager for the Fair, scheduled August 28 through September 7.

Fall and winter creations from the drawing boards of Couturiers from Hollywood, Los Angeles and San Francisco will make their debut before California women assembled in Governor's Hall on the fairgrounds for the colorful parade of styles on September 6.

"California Fashions are Universal Fashions" will keynote the fashion show. The theme is derived from California's variety of climate, geography and culture. The fashion show will include ski wear and beach wear, formals and

sport garb, and will represent the creations of manufacturers of popular priced apparel, as well as fabulous designers of the movies.

Colorful staging, lighting, and music adapted from the State Fair's program will contribute to the lavish pageantry of beautiful girls modeling California's newest creations in feminine wear.

Swim Campaign Nears Completion At High School Pool

The ninth annual swimming campaign at the high school is almost over. Only one class is still in progress. The ladies will continue to meet on Wednesday evenings until September 10. The last day for the 20 other classes was August 2.

There have been many inquiries about more classes this summer but, Miss Juanita O. Young, Red Cross instructor and high school faculty member, says that no more classes are scheduled until next March. The life saving classes will meet as usual two weeks prior to the opening of the pool to the general public.

The pool will remain open for the remainder of the summer and fall except on Labor Day.

In addition to Miss Young the instructors for the campaign have been Miss Rosemarie Attenesia, a life guard and a recent high school graduate, and Miss Florence Hannah, high school senior.

There were two sets of classes during the past few months. The Monday, Wednesday, Friday class met from July 7 to August 1 while the Tuesday, Thursday, Saturday class met from July 8 to August 2.

The following passed their Intermediate Test, which included swimming four different strokes with arms only and legs only, diving, underwater swimming, floating, turns and five minute swims:

Barbara Delucchi, Dolores MacDonald, James Petty, Stanley Davis, Richard Duncan, Bill Evans, James Jones, Jacqueline Karnes, Claudia Moore, Barbara Stein, and Joanne Van Vliet.

The following passed their Beginners' Test and practiced on their Intermediate Test:

Carol Ann Anger, Edna May Antonelli, Auguste Broucuret, Ernest Hansen Jr., Jane Kennedy, Louise Larsen, Joyce Petty, Merelyn Towne, David Barraza, Patricia Bradley, Shirley Callan, Bobbie Carroll, Betty Lou Cavagna, Jacquelyn Chambers, Harold Dimond, Roberta Furger, Helen Hankerson, Scott Hickman, Dixie Karnes, Ardeen Klees, Kenneth Klees, Shirley McIntyre, Leonard Monson,

Edward Oliva, Lynda Rivera, Anthony Souza, and Janice Weimert.

The following passed their Beginners' Test which included jumping and diving into deep water and swimming thirty yards:

Nadine Baher, Bertha Bergman, Arlene DeBarr, Raymond Del Pape, Philip DeLucchi, Marian DeZordo, Barbara Gaidick, Carol Garibaldi, Bob Greene, Carol Hardiesm, LeRoy Hooper, Robert Kaufman, Robert Langerveld, Dianne Loundagin, Dolores MacDonald, Louise Perata, Mary Perata, James Petty, Carolyn Sturman, Sheila Lea Sullivan, Clarice Swanson, Marilyn Toole, Sonya Thorne, Michael Traxler, Ronald Anderson, Clifford Baker, Roberta Baldetti, Carol Bortoli, Sheryll Sue Brockway,

Vets Worried About Finances

The average veteran on the Los Angeles campus of the University of California is as worried about the high cost of living as the average housewife.

In a recent survey conducted by the Associated Students among 2,273 servicemen and 75 service women, the average single veteran reported living expenses of \$105 a month, while the average married veteran reported \$170 a month. This represents a wide gap between the \$65 subsidy for single vets and \$90 for married vets allowed under the G. I. Bill of Rights.

To meet such expenses, 43 per cent said that they were cashing

in their War Bonds, 62 per cent were drawing from other savings, 20 per cent were borrowing from parents or friends, 40 per cent were using the earnings of wife or husband.

The volume of borrowing from student loan funds administered by the Dean of Undergraduates' office is more than three times the pre-war volume. The size of the loans has increased also. In 1939 it averaged \$45.11; today it averages \$103.73.

Only 6 per cent of the veterans were of the opinion that neither government benefits nor their allowable compensation from outside employment should be raised.
